

Youth Ambassadors - Leading The Way

Youth advocacy is an integrated part of Miracle Foundation India's work. It is important that the youth from every corner of India get an equal opportunity to speak their mind. **Youth Ambassador Program** is one such youth initiative to promote mutual understanding, increase leadership skills, and prepare youth to make a difference in their communities.

We recently inducted a fresh batch of **5 Youth Ambassadors** who will join the existing 8 Ambassadors, carefully chosen from 78 applications that we received from children living in Miracle supported CCIs across India.

Hard work and persistence pays off

Irrespective of how big the hurdle is, hard work and persistence always pays off. Those who follow it, are able to achieve even the seemingly impossible goals.

Here is a story of one such boy who lost the love and care of family at a very early age and growing up in a **Child Care Institution**. The odds were high but his commitment and self-motivation helped him to sail through those times. And, today he is making headlines, learning the skills of a seaman and sailing his career towards great success.
